Fees & Charging Policy

From the 2018-19 academic year learners aged 19 and over and studying Level 3 to Level 6 courses can access the Advanced Learner Loans (ALL) facility which provides financial support for tuition costs by applying to the Student Loan Company (SLC), similar to that which is available in Higher Education.

As with all finance agreements learners have a fourteen (14) day cooling off period from their enrolment date, during this period the learner may cancel their loan/course with no financial penalty and the loan application will be cancelled. All cancellations are to be made in writing by the learner to cherylgrass@anydriver.co.uk

Once the fourteen (14) day cooling off period has passed the learner will be confirmed as in attendance and the learner will then become fully liable for the loan.

If a learner withdraws from the course at any point after attendance has been confirmed the learner will be liable for the portion of the loan that has been used up until the withdrawal date. All withdrawal requests are to be made in writing by the learner to cherylgrass@anydriver.co.uk

Once confirmed as in attendance learners will be registered onto their chosen qualification. The cost of this registration will not be passed on to learners who successfully complete the course/qualification.

If a learner withdraws from the course at any point after attendance has been confirmed, we reserve the right to recover the registration fee and any associated training costs from the learner.
